

for security and peace of mind

expanding security grilles

They deter criminals and our stylish grilles enhance the look of many commercial and retail buildings.

Our unobtrusive panels - varying in colour - suit individual company needs and are offered in either single or double stack options. Their careful design ensure:

- Clear visibility and ventilation when closed
- Strong rolled steel section uprights
- Smooth mechanisms
- Reliability and strength
- Forms a neat curtain when pushed back

Excalibur dealers guarantee a reliable expert service and a choice of installations ranging from large window fronts to economy units for smaller frames.
